

INTERNET SECURITY AGREEMENT

Guidelines

Internet service is provided in all homestays. It is for private, personal use. Hosts do not monitor Internet use, but trust their homestay guests to use the Internet in legal and appropriate ways.

Homestay Internet is provided for:

1. Completing homework
2. Doing employment-related work
3. Communicating with friends and family
4. Shopping legally
5. Appropriate entertainment

Homestay Internet service may NEVER be used for:

1. Pornographic or offensive viewing
2. Anonymous or erroneous communications
3. Transferring copyrighted material
4. Illegal downloads of any kind

SECURITY AGREEMENT

I understand that I have been trusted to use the homestay Internet service of my host family. I agree to act with integrity while using my host's Internet service.

I agree that I have read and understood the guidelines above. I have been given a chance to ask questions. If I have further questions, I will ask my host for guidance. I promise to follow the guidelines while in my host's home or when using my host's Internet service.

I agree to abide by all United States copyright laws. I agree to NEVER illegally download copyrighted materials while in my host's home or while using my host's Internet service. I understand that if I break the law, I will pay all fines and damages caused by my copyright infringement, even if I have already moved out of the homestay.

I understand that if I do not follow the guidelines outlined in this form, I may be required to move out of my homestay without refund.
